

PAYOFF TRACKING WITH LIEN ONE

WHAT IS LIEN ONE'S PAYOFF TRACKING SERVICE?

Even after closing, there is more work to be done. Lien One is here to make sure any problems or complications are dealt with quickly and competently. Designed to take part of the tedious post-closing process of monitoring recordings off your plate, Lien One's Payoff Tracking service offers you the peace of mind you can only get from having experienced professionals on your side.

Similar to Release Tracking, or Reconveyance Tracking, Payoff Tracking is an elite service available to monitor and confirm the recording of satisfactions and/or releases of recorded lien(s) or encumbrance(s) required by your title commitment; including, but not limited to:

MORTGAGE PAYOFFS

JUDGMENTS

MUNICIPAL LIENS

CONTACTOR/MECHANIC'S LIENS

As your buyers and sellers rely on you to track post-closing documents to avoid serious risk, it is essential to ensure that all closers have a set plan for payoff tracking. Choose us to support you in protecting your company and clients!

Let us work with your post-closing department!

Lien One has been chosen by title industry professionals as a trusted due diligence partner since 2003

WE DON'T JUST REVEAL PROBLEMS. WE PROVIDE SOLUTIONS.
